

Hello again Base 3,

Happy Easter to you all (a little bit late)! I hope you are all very well, keeping safe and you have had a nice Easter. I've definitely eaten a few too many Easter eggs but I still have a few left.

I have loved seeing your photos and reading the updates you've been sending to Mrs Cador for the website. All of your smiling faces have been putting big smiles on my face!! It's lovely to see so many of you outside enjoying the sunshine (it's raining as I write this letter to you, so fingers crossed the sun comes back).

Happy belated Birthday to Riley, you had some fantastic presents by the look of it. I hope you had a lovely day celebrating with your family and you've managed to read all of Bad Dad.

So many of you are still taking part in the Joe Wicks workout every morning, you will be very fit and strong by the time we go back to school. I have also been doing it at home and at school with Skye and Sofia.

Olivia, look at all of those creatures you found in your garden. I'm sure after all of your gardening, your garden will look beautiful. We could all go on bug hunts in our gardens to see what we could find; I would love to see photos of what you find (just remember to put the creatures back in their habitats).

Laura, your climbing frame that your dad has built is fantastic! If you walk passed Laura's house have a quick look at her new climbing frame made from ladders! It was nice to wave to Laura and say hello when I was at school last week.

Alfie W, you look like you have had a fabulous Easter, eating in the garden, washing the dog, baking delicious looking cakes and going on an Easter egg hunt. Did you camp outside in your tent?

Courtney-Mae, that hot chocolate you had looked delicious! It is lovely to see photos of you with your brother and sisters enjoying being outside. Your go-kart looks like a lot of fun; I might have to borrow that one day.

Reefe, did you eat all of those sausage rolls??? It's lovely to hear about all of your home learning you've been doing and I'm very jealous of your water slide!

Annabel, it has been lovely to see pictures of you and Penny on nice, long walks over the fields.

I have heard about different things that all of you have been getting up to over the last few weeks and I look forward to hearing more and more as the weeks go on.

Since I last wrote to you, I have had a week off away from school to relax and enjoy the sunshine before the Easter weekend. I have been doing plenty of baking of course (including making Penny's birthday cake, which Annabel got to enjoy). My garden is looking very tidy, the strawberry plants are growing well and I've planted some sunflowers which have started to grow (I will send some photos when they start flowering). I have had plenty of video calls with all of my family, including Amelia and Sophie who have been enjoying the sunshine and going on bike rides (Amelia has learnt to ride her bike without stabilisers). The Easter Bunny managed to visit me with a couple of Easter Eggs, which were delicious.

Last week I spent some time in school with Sofia. We have been retelling the story of the Three Little Pigs and making changes to it. We made puppets to help us retell the story. We went pond dipping to see what we could find in the pond, there were a lot of tadpoles and frog spawn which

will all hopefully grow into frogs. We spent some time outside, creating dens which involved a lot of problem solving skills. We had races across the climbing wall and learnt how to climb properly.

Well done to those children that played in the Times tables Rockstars battle. Some super scores from you all! Keep going on so you can keep improving.

I will write to you again soon, to update you again. Do write back to me if you can, either as a letter or an email (which can be sent to Mrs Cador). I do enjoy hearing what you have all been getting up to.

Please keep yourselves safe, stay at home and enjoy this lovely time with your families. Don't forget to have a look at the home learning projects we have put on the school website for you. I hope to see you very, very soon.

Best Wishes,

Miss Phillips
