Wrenbury Weekly...

Little Wrens Take the Stage!

Little Wrens took a very active role in assembly this week by sharing their class story with the whole school! You could have heard a pin drop as the whole school sat quietly, excited to hear Little Wrens tell their story. Our Little Wrens did this so well; they spoke with pride and enthusiasm, they even added actions! Well done our Little Wrens.

Base 5's Share Their Learning:

Base 5 also shared some of their impressive learning in assembly this week! They presented their **poems, story writing and book reviews**, and it was amazing to see their creativity shine. It's lovely to see how well the children are able to speak in front of their peers and how well everyone listens to each other. Great teamwork, everyone!

Base 3 Trip:

Base 3 had a fantastic trip this week as part of their history learning on the impact of trains.

The children enjoyed their time on the trains and listened attentively as experts shared more about the history and science behind trains. It was a fun and educational experience for all!

Wrenbury Primary School continues to be a GOOD school, where there is 'a strong emphasis on pupils' personal development' and our children 'are exceptionally well cared for.'

Netball Team Competition:

Our **netball team** had an exciting time at the **Year 5/6 competition** at **Malbank** on Thursday.

The children took part in a series of thrilling matches and demonstrated great teamwork and sportsmanship.

To make the experience even more special, the team had the amazing opportunity to meet **Bryony Page**, the Olympic gold medal-winning gymnast! They were even able to hold her medals! What an incredible moment for our children.

Forest Area Project:

This week, the children have enjoyed planting a variety of forest plants in our brand-new forest area. A huge thank you to Minshull's Nursery in Crewe for their contribution to the plants!

We are also excited to share that we've been gifted fantastic piping by Above Utilities, which will be used as tunnels in the forest area. The children are excited to get this area up and running with lots to see and do in there and I feel that we are well on our way.

A big thank you to **Graham Heath Construction**, who have kindly helped us remove the fencing around the area. Their support has been fantastic and is greatly appreciated!

Parents, we would like your help! We know that the children and yourselves are excited by the forest area development, and we feel it would great if we could work on this together. We'd like to invite you to join us on **Saturday, 15th February** to lend a hand in further developing our forest area. If you're able to help, please check your email for more details and respond as soon as possible.

As well as this, Zach, Zara, Laniakea, Ollie, Alice B, Beth Max, Willow and Mascen all achieved their silver badge while Alice T gained her bronze. Well done to everyone- keep up the good work.

Assembly focus –

This week, we were delighted to have **Kathryn Davies** come to school and deliver an inspiring assembly. The children learnt about springtime and kindness. The children loved the new song she shared and really enjoyed taking part!

We look forward to welcoming Kathryn back again soon for more assembly fun soon.

Welly Racks:

We are excited to announce that our welly racks, kindly provided by Graham Heath Construction, are now in school and ready for wellies!

We ask that all children bring in wellies so they can play on the field at playtimes. Please remember to label both wellies and school shoes to avoid any mix-ups.

If you have any wellies that your child has outgrown and would like to donate them to the school, we would be very grateful for your kind donations!

As always, thank you for your support. We are very humbled that our school matters to you and we most certainly are feeling the strong connection with our lovely village community.

Your Headteacher,

Mrs Charlesworth
