

## Wrenbury Primary School Newsletter

21st March 2025

This week we were treated to an amazing assembly from Base 1 on their theme day. They re-told the story of Jack and the beanstalk with real gusto! It was just wonderful to see them shine in front of the whole school; they were so proud of themselves. Well done Base 1. As part of their theme day, they dressed up as farmers and even enjoyed seeing the tractor that had been brought to school for them. This week Little Wrens went on a spring hunt, taking great delight in ticking off all the items on their checklist. Also enjoying the sunshine was Base 2 who had a lovely PE lesson in the sun, taking part in a range of skills activities while working as part of a team.

Year 5 and 6 took part in an online safety lesson, where they learnt about the appropriate age to be on most apps (usually 13+) and how messages, which may seem innocent, may not actually be appropriate to send. Our School Council have also been busy this week as they have partnered up with PC Sharon and PC Garry to deliver a road safety lesson with Base 1 and carry out speed checks at the start of school. I have to say thank you to everyone for driving so carefully around school – thank you for helping to keep our children safe.

Thank you to everyone who took part in the Eco/ School Council clothes swap. It is more important than it has ever been to take care of our planet and a simple way to do this is by consuming less. The fashion industry is responsible for 10% of global carbon emissions, more than all international flights and maritime shipping combined, making reusing and swapping clothes a crucial step in helping the environment.

## **School Roof Replacement - Important Information!**

Over the coming weeks and months, our school will be undergoing roof replacement work. This project has been carefully planned over the past year to ensure minimal disruption, though some changes to our usual routines will be necessary. These adjustments are crucial to ensure the safety of everyone involved and to help the project run smoothly.

### Key Changes:

- **No Access via Front Pedestrian Gates (POSTONED 1 WEEK):** Starting **Monday 31<sup>st</sup> March**, the pedestrian gates on the main road will be closed. All access to the school during drop-off and pick-ups will be via the MUGA gate only.
- **Access During the School Day:** If you need to access the school during school hours, you can do so through the school car park. One gate will remain open for this purpose. There will be no public access to the back gate (on the playground) during this time.
- **The Nest:** For morning sessions, all children should come to school via the MUGA gate. For afternoon pick-ups (after 4pm), please use the school car park.
- **After-School Clubs:** Please collect your child(ren) from the school via the car park at the end of after-school clubs.

Communication: Where possible, we kindly ask that you send messages to the school office via email or phone call to help us manage inquiries efficiently.

We appreciate your understanding and cooperation as we work to improve the school's facilities. If you have any questions or concerns, please don't hesitate to contact the school office.

### Thank you!

Thank you to Henry and Esme who gave up their Saturday to clear away all the soil from the forest area. Over the day, they removed over 60 tonnes of soil and debris to now allow us to re-seed the field and ensure that the children can enjoy even more of the wonderful grounds we have. We are so lucky to have so many people who go out of their way to make a difference to our school and our children. We are very grateful for you all

### This week's assembly message...

In assembly this week some children planted seeds. They had to think carefully about what those seeds would need if they were to flourish and grow to be strong, beautiful flowers. We then thought about people – they too need the right materials and ingredients if they are to flourish and grow too. We discussed the need to be healthy, but we also talked about the way we can care for each other in school. The children said that they help their friends when learning, at playtimes they look after each other and make sure that no one is left feeling alone and they take the time to ask each other how they are feeling. Our motto of 'We all matter' really shone through.
