'Our World, Our Home'

Welcome back to the final term of the year, the glorious summer term! I hope that you all enjoyed a restful Easter break and, like me, are looking forward to the summer term ahead of us. This term, our whole school theme is 'Our World, Our Home'. Across school, we will be learning about habitats our locality, our world and the impact of humans on it. We will be taking time to take in the glorious surroundings of our school and appreciate the world that we live in. We kick-started this topic with a focus on Earth Day on Tuesday 22nd April. There were a range of activities happening in school from planting sunflowers to recycling. We all enjoyed an assembly outside in the sunshine to learn more about why we need to take care of 'Our World, Our Home'.

Our new starters in Little Wrens have been a wonderful addition to school. It is a joy to see them start their journey with us. They have been busy on our new balance bikes, planting sunflowers, making wonderful creations in the playdough and exploring outdoors.

Base 1 began their Rex Music project with the Love Music Trust this week. During this session, the children really demonstrated their fantastic learning skills; concentrating, engaging and asking lots of questions! Well done Base 1- I am very proud of you. This week, our maypole practice has started again. It is lovely to see the children enjoy this traditional activity. As they dance, many others clap and cheer them along- wonderful!

School car park:

Please do not come through the school car park gates to access school between the hours of 7:30-9:00am or 3:30- 4pm. This is a busy car park at these times with staff, builders and school visitors using it. Walking through this access point at these times is dangerous. Thank you for respecting this.

This week's awards...

We All Matter Stars:

- Little Wrens:** Cyndi-Lou for showing kindness to our new friends.
- Base 1:** Mabel for always using her manners.
- Base 2:** Sienna for being polite and kind to your friend.
