

## Wrenbury Primary School Newsletter

2nd May 2025

It is said that May is the gateway to summer and my goodness it feels like it! The children have loved spending time outdoors. We have been learning to identify birdsong and many of us can now recognise a chiffchaff- it lives above our pond area! The key stage two children have enjoyed maypole dancing in readiness for Marbury Merry Days- they are becoming real experts at this now! We have also enjoyed watching the farmers busy silaging in the field behind school with many children joining in by playing 'farmers'.

Some children have helped plant and water the flowers in the forest area, and many have watered the trees planted by EYFS. On Thursday afternoon, we were treated to ice pops from FOWS – a much-needed cool treat in the afternoon- thank you! As well as this, the children have been busy with their learning in the classroom. Delving into our school theme of 'Our World, Our Home'; the children have been learning about glaciers, sea creatures, and how light travels amongst other things. Base 1 enjoyed their theme day today, starting off the day with a fantastic assembly where they retold the story of Tiddler, they sang and song and shared their learning about sea creatures. Base 1- we were all extremely impressed not only by your knowledge but by the way you presented your assembly. Well done everyone.
