

Wrenbury Primary School Newsletter

Friday 27th June

This week began with a real buzz of energy—Sports Day! It was a fantastic event, with everyone giving their best and thoroughly enjoying the day. Our 'We All Matter' ethos truly shone through, as children supported one another—win or lose, younger or older. I couldn't be prouder of them all. Well done, Team Wrenbury! Our winning team was green team this year.

Following this, many of our Year 6 children attended their high school transition events. We missed them while they were away, but they returned full of excitement about their new schools.

Meanwhile, Base 3 and Base 4 enjoyed an exciting and action-packed trip to the Manchester Museum of Science and Industry—a brilliant day out for all involved!

In other news, our roof is looking fabulous. Thank you for your patience with this, everyone has been so supportive while this project has gone ahead. The scaffolding is coming down and we will soon return to normal. Please do wait for further information from the office as to when old entrances etc will be back up and running.

Base 2 Theme Day:

Today, Base 2 had their theme day, and what a wonderful day it was! They began with a fantastic assembly for the whole school, and it was lovely to see how much confidence they've gained over the year. The rest of the day was filled with exciting science activities, and the highlight was when the school hall was magically transformed into *The Flying Scotsman*. With personal tickets in hand, the children climbed aboard, and after the whistle blew, they set off on their journey—enjoying a luxurious afternoon tea along the way. What fun!
