Friday 4th July 2025

Another busy week, full to the brim with wonderful opportunities for our children! This was our first **Careers Week** – and what a week it was!

I would like to say a **HUGE** thank you to parents, governors, and our wider school community who so kindly gave up their time to come into school and share their careers with our children. We have a wide world out there, full of opportunity, and it is so important to us that we open as many doors and introduce as many worlds to our children as we possibly can.

This week, the children learnt what it means to be an airline pilot, a nurse, and a lawyer – to name but a few! As well as this, the Year 6 children visited Reaseheath to experience some of the courses they have on offer. The children selected the course they were most interested in and spent the day exploring what that career might feel like. What an experience!

Year 6 also enjoyed a morning at Broomhall Chapel. After learning about David and Goliath, they completed a range of transition activities with their friends from Sound School.

Year 5 have written their letters to myself and Miss Phillips, requesting their roles for Year 6 – something they are very excited about! Year 5, you will be awarded your roles in September. We can't wait to see the impact you have – we know you will be fabulous!
