

Wrenbury Primary School Newsletter

12th September 2025

This week our children have really started to settle into school routines and lessons. This week the children have enjoyed English, maths and science lessons to name but a few! Our Little Wrens and Reception children have been enjoying their 'Welly Wednesday', taking the time to explore our fabulous outdoor areas. Base 2 have started their book 'The Kid who Banned the Dark' and started learning about King Charles 1st. Base 3 have been getting stuck in; learning about forces and magnets, finding pushes and pulls in the environment around us. Base 4 have been busy learning about Roman numerals, using art straws to help them make some of these. The Year 6 children enjoyed their first swimming lesson and are looking forward to their next. Base 5 have been busy delving into history; looking at timelines and getting to grips with crime and punishment in the past.

The Lion and the Mouse.

This week in assembly, we read the story of 'The Lion and the Mouse. In this story we learnt that anyone could show kindness, anyone can make a difference to others no matter how big or small they are.

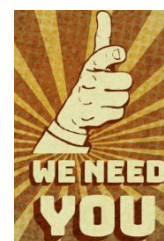

We talked about all the ways we show kindness in our school, how we show 'We all Matter' every day. The children talked about holding a door, smiling at each other, giving compliments and helping friends when they need it.

FOWS- we really do need you!

We have a wonderful FOWS (Friends of Wrenbury School) team who work so very hard behind the scenes to support our children, raising money and organising great events that the children thoroughly enjoy.

Without this team, the children would miss out on many special events and treats. However, **our FOWS team need you!** We would love to hear from anyone who enjoys making a difference, who likes to support others and who is willing to give a little of their time to support our fabulous school and awesome children.

This is an opportunity to work with a great group of people and have a few laughs while doing something good for others. If you would like to join our FOWS team, **please give us a call at school** and we can put you in contact with the FOWS squad.
