

Wrenbury Primary School Newsletter

19th September 2025

Another week has just flown by at Wrenbury. Our Little Wrens have enjoyed a visit from a mystery reader this week – they are always excited to see who this might be! It is lovely to see them enjoying a story shared by someone special. Our Base 1 children have been amazing me with their Drawing Club work – my goodness, the vocabulary they can now use. Ask them to tell you what discombobulated means! Base 2 have been delving into geography and learning all about the countries within the United Kingdom.

Base 3 have been historians as they enjoy their class text – Stig of the Dump. They have been writing fantastic cave descriptions and exploring the timeline of our early history. Ask the children if they can tell you the difference between the Palaeolithic, Mesolithic and Neolithic eras! Base 4 have enjoyed their artwork which combined with their English writing; they have created beautiful images of Bambrough Castle. Our Base 5 children have completed their information writing about Henry 8th as well as enjoying their PE, music and French lessons... oh yes, and swimming! Time for a much-earned rest everyone.

This week, **122 children** achieved their **100% attendance** award sticker- well done!

A wonderful celebration!

We wanted to celebrate Daisy's success in swimming. This year, not only has Daisy completed her **200 m** she had recently completed her Bronze award bring her even closer to joining the swimming team. Daisy, we are very proud of you!

The Crow and the Jug.

This week in assembly, we read the fable of 'The Crow and the Jug'. In the story the crow faces a real problem but, rather than giving up or becoming upset about the situation, it thinks carefully about how the problem could be solved. The story told us that 'Where there is a will there is a way, but it helps if you use your brain!'

We thought about all the challenges that we face day to day and the things we can do to solve these. Our ACHIEVE learning behaviour help us in the classroom and we use these every day!

Harvest Appeal:

It is that time of year again where we collect food items for our local charity 'Chance Changing Lives'. Please bring any donations to the office and place in the green trays- thank you.

Our Background

Chance Changing Lives is a grassroots charity based in Crewe, dedicated to transforming lives through compassion, dignity, and practical support. Since our beginnings in 2015, we've grown from a small community group into a vital part of the local support network, working tirelessly to help individuals and families facing poverty, homelessness, and social exclusion.

It all started with a simple idea: that everyone deserves a **chance**. What began with handing out hot meals on the streets has evolved into a comprehensive support system offering food, clothing, emergency accommodation referrals, and access to essential services. Our weekly community pantry now serves hundreds of households, providing not just nourishment, but a sense of belonging and hope. Run by volunteers and powered by kindness, **Chance Changing Lives** continues to respond to the real needs of people in Crewe. We work in partnership with local agencies, businesses, and volunteers to create lasting change, one person, one family, one meal at a time.

We believe that with the right support, people can move from crisis to stability and from isolation to community. At Chance, we don't just offer help, **we offer hope**.
