

Wrenbury Primary School Newsletter

17th October 2025

We have lots of 'thank-yous' this week for lots of lovely visitors who have helped create some fantastic memories this week. Firstly, to our Bikeability tutors who have been in school for 3 days teaching our Year 5 and 6 children how to ride their bikes safely. Our local firemen also visited to reinforce the message of safety on the roads. You may have seen our children and their tutors out and about around the village while they learnt how to follow the highway code on the roads. This week also saw lots of lovely mystery readers visit our younger children. It really is a lovely event that the children look forward to. As well as this, Kathryn Davies visited school on Wednesday to give an assembly about harvest and gratitude. In the assembly the children learnt that Christians believed that God built the world and that the world is a very special place. She taught the children that it is everyone's responsibility to take care of it. Thank you to everyone who gives up their time, who goes that extra mile to support our lovely children. We are very lucky here at Wrenbury.

This week also saw our Base 2 children enjoy their theme day- wow, they looked fantastic! The children enjoyed delving deeper into their history learning as they explored the English Civil war. They impressed the whole school with their knowledge about this when they shared their learning in their class assembly. Well done everyone.

In assembly this week...

This week we read 'Little Goose's Autumn'. In this story, summer fades to autumn, a lively young goose feels a change in the air and senses she has something important to do – but *what?* The beavers are chopping wood, the squirrels are storing nuts in the ground, and the bears are busy building a den. Little goose tries to join in, but without great success. She realises her wings weren't built for chopping wood, or burying food, or building a den, but they were built for something magnificent! In the story, we

learn about the importance of being yourself and finding your own place in the world. We learn that everyone has something wonderful to offer and that everyone can achieve great things.

A friendly froggy find!

This week, Kylo found the most impressive frog! He was so excited when he saw it and wanted to show this incredible creature to his friends at school. It has now been named Pip! I think it is wonderful that Wrenbury children have a love of the wonderful world we live in and find real joy in it.
