

Wrenbury Primary School Newsletter

3rd July 2026

Our pupils have enjoyed a number of wonderful experiences over the past few weeks. The Gardening Club were delighted to showcase their hard work at the Arley Hall Garden Festival, where visitors were incredibly impressed by the children's enthusiasm, knowledge and commitment to growing their plants from seed. The pupils represented the school wonderfully and spoke with great pride about their gardening achievements. Little Wrens have also been enjoying the outdoors, experiencing a real sense of awe and wonder as they released their butterfly into the forest area. The children were captivated by its beauty and enjoyed observing it as it began its journey into the natural world. During their recent Welly Wednesday session, they also helped to plant some of the flowers and plants that had been displayed at the Arley Hall Garden Festival.

Meanwhile, Reception and Little Wrens continue to look forward to their mystery readers, with family members and special visitors sharing stories and helping to foster a love of reading. Year 6 also enjoyed a fantastic day at Reaseheath College, where they explored a wide variety of future career pathways. The visit provided pupils with valuable insight into different industries and opportunities, encouraging them to think about their aspirations and the exciting possibilities that lie ahead.
