

Wrenbury Primary School Newsletter

18th September 2026

What another wonderful week we've had! A huge well done to everyone for our fantastic attendance this week, with most of our Bases achieving over 99%. What a brilliant start! It has also been lovely to see the children enjoying their first week of PE. They have thrown themselves into their lessons with lots of enthusiasm and look so smart in their new kits! Our Reception children continue to settle in beautifully and have had lots of fun with Drawing Club this week.

Our Year 3 children have also enjoyed their very first brass music lesson, and I have to say, I was so impressed with what they managed to achieve in just one session. I think we may have some budding musicians amongst us! Base 5 have had great fun with their Roman theme day too. Walking into a classroom full of Romans was certainly a little intimidating, but it was wonderful to see everyone so involved and enthusiastic! The children spent the day designing Roman roads from clay and exploring how to stiffen and strengthen structures to build Roman catapults. A hands-on day of history, design and engineering!

Another happy and busy week has simply flown by. I hope all our children and families have a lovely, restful weekend and I look forward to seeing everyone again next week.

This week's awards...

Base 5:	Monika for showing amazing concentration skills across the week.

Base 5 Theme Day:

Sending a little cheer to our community:

Our Year 6 School Council members, alongside a few members from each Base, have been living our Moto of 'We all Matter' today by showing how much our community means to us. We have left jars of beautiful flowers around the village for our community to pick up and take home. They are there to say that our community matters to us and that, even when things may feel a little tough, there is always someone who cares. We hope that these bring a little bit of sunshine to you all.

Assembly:

This week, Kathryn Davies from Broomhall Chapel joined us for assembly. She shared the message that it is important that we work together, compromise and help each other. She talked about the need to have tolerance for others, to recognise and respect the views of others. The importance of community of being part of a wider family really shone through.

Thank you for visiting us, Kathryn.

ESSENTIAL Parent event: 9th October @ 9am

In our ever changing world, our children cannot escape the dangers of being online. We have been lucky to have been able to book PC Andy in to deliver a talk for parents to help us to know how to keep our children safe. If your child plays on online games (even if you think they are safe), has a mobile phone or who has friends who have a mobile phone, this parent event really is essential.

IS YOUR CHILD SAFE ON SOCIAL MEDIA?
DO YOU KNOW THE RISKS?

Do you know what your child is watching, what your child is doing online, who they are following, who they are talking to, who is influencing them, what they are sharing on Social Media?

A Hard-Hitting Parent Session, 'that pulls no punches' you can't afford to miss with Cheshire Police Detective Andrew Kevan from the Cyber Crime Team

The Reality Behind the Screen

Join us for a powerful, no-holds-barred session that looks at the real online world your children are navigating – often without your knowledge.

- The National Picture – What's really happening online across the UK
- Legislation – What laws protect children and where gaps exist
- Sexortion & Cyber Flashing – What every parent needs to know
- AI & Online Harm – How regenerative AI has changed everything in the last 24 months
- Q&A session included – Ask what you need to know.

This session is designed to:

- Equip you with facts
- Challenge assumptions
- Help you make informed choices for your family

PLEASE NOTE This is a frank and essential discussion for parents, carers, adults – not suitable for children.
