

Wrenbury Primary School Newsletter

2nd October 2026

This week has been filled with so many wonderful things, with books and storytelling being a real favourite. I have to admit, I was very envious when Base 5 opened their many boxes of new library books! What a treat they found inside: award winners, books of all shapes and sizes, and a fantastic range of genres. I even spotted a few that I haven't read yet, although I must soon change that!

While our older children were enjoying their exciting delivery, our younger children had the pleasure of their 'Mystery Reader' visits. It is always lovely to see the children's faces when the mystery reader is revealed! A huge thank you to everyone who has given their time to come in and share a story with our children. What a lovely thing to do, and such a special experience for the children.

This week, our School Council members took part in the local police 'The Kids Are Watching' programme, working alongside PC Millie and her colleagues to monitor traffic speeds through the village. It was lovely to hear the children confidently sharing the Stranger Danger messages from last week's assembly with PC Millie, showing that these important safety messages are really staying with them. It was also wonderful to hear that the experience sparked an interest in policing as a possible future career for some of our School Council members!

Base 2:	Thea for amazing ideas and writing in her English.
Base 3:	Kendall for being an amazing role model!
Base 4:	Sam for working hard and demonstrating the ACHIEVE values.
Base 5:	April for amazing engagement in learning outside of the school.

Attendance:

This week our whole school attendance is : **98.2%**

123 children achieved 100% attendance this week. Well done!

Base 3 Theme Day:

Base 3 have thoroughly enjoyed taking part in our Roman theme day. Everyone arrived wearing impressive costumes and wielding some fierce looking weapons. We had a visit from Boudicca, members of the Iceni tribe, emperors, soldiers and even Tara (Little Flame) from our class story.

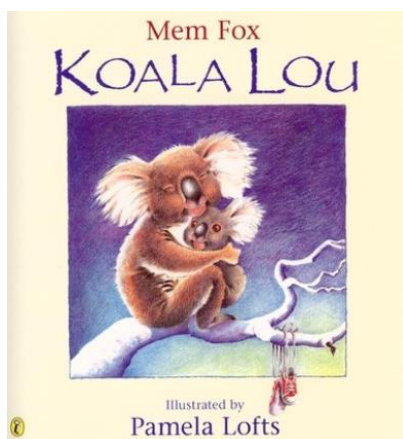

The children enjoyed eating honey toast and creating some beautiful mosaics. Over the past half term they have used a variety of media and even made pottery tiles which included glass tesserae (the Roman word for the tiny pieces of glass)

This afternoon small groups worked cooperatively to solve puzzles for our Roman treasure hunt. Gold coins were the reward.

Mrs Agnew and I feel very proud of the children for all their hard work learning lines, beating out rhythms and performing in front of a larger audience!

Assembly:

This week in our EYFS and KS1 assembly, we listened to the story of Kola Lou. In this story, the lovely Kola Lou misses her mummy when new brothers and sisters come along. She decides to take part in the Bush Olympics in the hope her mummy will say 'Koala Lou, I do love you!' once more. By the end of the story Kola Lou learns that her mummy always loved her – 'she always has and always will'. We talked about how important it is to share how we feel as those who love us will always be there to help. This might be family, friends and even our school – where 'we all matter'.

Wow Little Wrens!

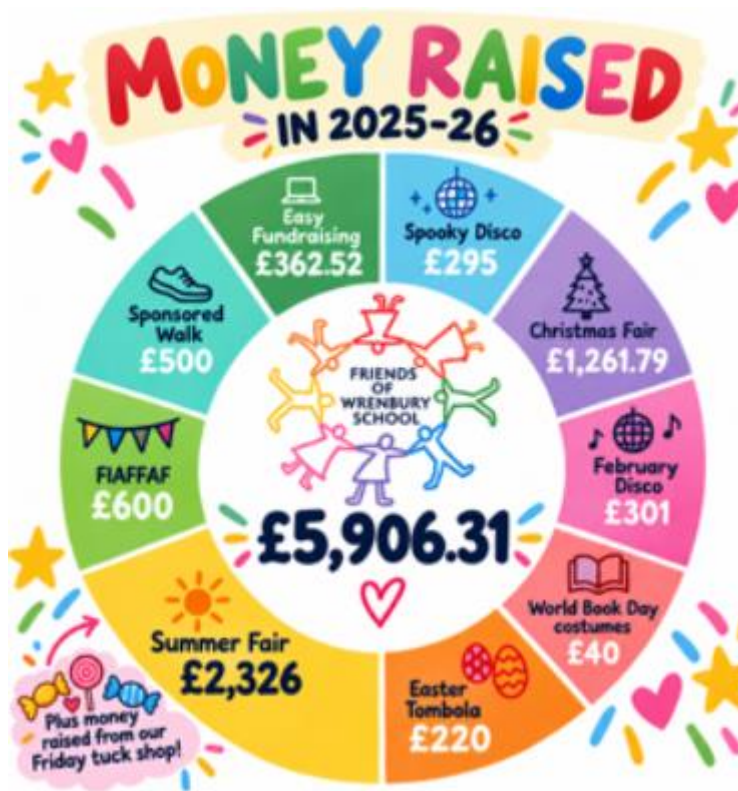

We are so excited and incredibly proud to share that **we have achieved the Bronze Award** in the Woodland Trust's **Green Tree Schools Award!** We have achieved this through all of our wonderful **Welly Wednesday** learning and adventures. We have been busy exploring our woodland, looking for signs of autumn, collecting natural treasures, creating with sticks, leaves and twigs, and learning all about the amazing world around us. We have loved getting outside, having fun and discovering something new each week. Our Little Wrens have become fantastic little nature explorers!

And now... **we are working towards our Silver Award**

Thank You FOWS!

You make a very real difference to our children.

♥ Fancy getting involved with FOWS? ♥

Friends of Wrenbury School (FOWS) is our school PTA, and we'd really love to welcome some new faces!

We're looking for more parents to join us and help with school events, fundraising and activities for the children. You don't need to commit loads of time — even helping out occasionally makes a big difference! 🙌

We're also looking for a few more people to get involved in the running of the charity. Some of our current roles are already filled, but we're looking for people who may be interested in roles such as Chair, Vice Chair, Secretary or Treasurer as we strengthen the team. Don't be put off by the titles! 😊

If you'd like to find out more, you can speak to Emily (Ettie or Jack's mum), Marijn (Macsen and Teagan's mum), contact the school office, or come along to The Dusty Miller at 7:30pm on Thursday 15th October for a chat. 🗨️

No pressure and no need to commit to loads — we'd just love to see some new faces and hear your ideas! ♥

NEXT WEEK!

Parent event: 9th October @ 9am

Please do make the time to attend our online safety talk. Technology can be wonderful but is also the biggest risk for our children. It is so very important that, as parents and carers, that we take this seriously and make the time to ensure we can keep our children safe.

School admissions:

Parents and carers of current Year 6 pupils must apply for a Year 7 place before 31st October. Parents of pupils wanting to start Reception in September 2027 must apply before 15th January 2027. Please see the website below for further information:
