

Wrenbury Primary School Newsletter

9th October 2026

This week has been another busy one across school, with lots of wonderful learning taking place. In Little Wrens, the children have thoroughly enjoyed sharing *The Very Helpful Hedgehog*. The story has provided lots of opportunities to develop new vocabulary and language, whilst also inspiring some fantastic hedgehog creations. The children worked carefully to strengthen their fine motor skills as they cut, stuck and crafted, and they were extremely proud of the finished results. In Base 1, I have been particularly impressed by the children's concentration and engagement during phonics and squiggle time. They are working incredibly hard to master the building blocks for successful writing, paying close attention to key skills such as posture, pencil grip and letter formation. It is wonderful to see their confidence continuing to grow each day.

Further up the school, Base 2 have been delving into the fascinating world of the Victorians and are already excited to share their learning during next week's theme day. In Base 3, the children have been developing their artistic skills and their work is looking absolutely wonderful displayed around the classroom. Base 4 have been thoroughly enjoying writing their stories and have shown great enthusiasm and creativity as they bring their ideas to life. Base 5 have been busy extending their learning across a range of subjects and continue to demonstrate excellent maturity and independence in their approach to learning. Our Year 6 pupils also enjoyed a valuable morning at Crewe Alexandra's Crucial Crew event, where they learned about a range of important safety themes and how to keep themselves safe in different situations. Meanwhile, our fundraising team met with Nadine from Chance Changing Lives to discuss ways in which we can support this important local charity. Over lunchtime, some of our children have also been busy planting daffodil bulbs and winter bedding. We are looking forward to seeing these flourish over the coming months and bring a welcome splash of colour to our school grounds.

Attendance:

We were blown away with attendance this week. Our top 4 classes all achieved over 99% attendance. Well done everyone – what an incredible commitment.

This week our whole school attendance is : **98.2%**

121 children achieved 100% attendance this week. Well done!

Crucial Crew

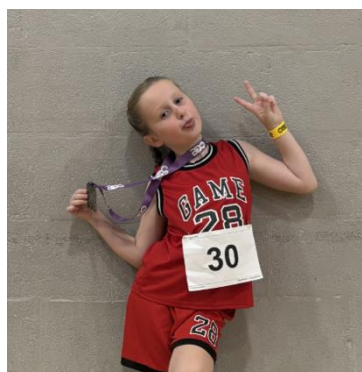

Our Year 6 pupils visited Crewe Alexandra's football ground this week to take part in Crucial Crew safety workshops. Through interactive activities and discussions, they explored important messages about road safety, personal safety, online safety, health and wellbeing. The children showed excellent engagement throughout,

listening carefully and contributing thoughtfully to the sessions. The knowledge and practical skills they gained will help them stay safe in many aspects of their wider lives, while building their confidence as they prepare for greater independence and the move to secondary school.

Celebration!

Well done to Georgia who took part in the BDO street dance championships in Liverpool on Sunday with Fox Dance. The team were placed in the top 5 for both group dances and duo's! Well done, what a wonderful achievement.

Well done to Seb for achieving his Level 4 swimming badge! This recognises his progress in developing his swimming skills, confidence and control in the water—a fantastic achievement. Congratulations also to Duru, who earned Drama Star of the Week at her drama club! We are proud of you both and delighted to celebrate your achievements outside school.

♥ Fancy getting involved with FOWS? ♥

Friends of Wrenbury School (FOWS) is our school PTA, and we'd really love to welcome some new faces!

We're looking for more parents to join us and help with school events, fundraising and activities for the children. You don't need to commit loads of time — even helping out occasionally makes a big difference! 🙌

We're also looking for a few more people to get involved in the running of the charity. Some of our current roles are already filled, but we're looking for people who may be interested in roles such as Chair, Vice Chair, Secretary or Treasurer as we strengthen the team. Don't be put off by the titles! 😊

If you'd like to find out more, you can speak to Emily (Ettie or Jack's mum), Marijn (Macsen and Teagan's mum), contact the school office, or come along to The Dusty Miller at 7:30pm on Thursday 15th October for a chat. 🍷

No pressure and no need to commit to loads — we'd just love to see some new faces and hear your ideas! ❤️

Other Key dates:

- Tuesday 13th October – Year 5 Bikeability
- Wednesday 14th October: Visyon Parent Workshop Resilience and Self-Esteem
