

Wrenbury Primary School Newsletter

16th October 2026

What a wonderful week of learning we have enjoyed across school. In EYFS, our weekly Mystery Readers continue to be a huge success, with the children loving the opportunity to hear stories shared by different visitors. Thank you to everyone who has taken part. Our Little Wrens have also been exploring one of my favourite books, *The Little Red Hen*. The children were unanimous that they would help the Little Red Hen because "we are kind at Wrenbury!" They then put their teamwork into practice by making their own bread, with everyone playing their part to ensure it was delicious. It was also lovely to welcome so many parents into Base 1 to see our phonics lessons in action. Thank you for taking the time to join us and share in your children's learning.

Base 2 have had a fantastic time during their Victorian Theme Day and did a superb job of teaching us all about life in Victorian times. Meanwhile, our Base 3 children have been using drama in English, creating freeze frames to bring key moments from their stories to life. Year 5 and 6 have certainly had a busy week, enjoying swimming, a theatre trip to see *Annie* and completing their Bikeability training. With so much packed into one week, I think there may be a few children heading to bed a little earlier than usual tonight! Have a wonderful weekend everyone.

Celebrations!

We've had so many celebrations this week—where do we start? Hattie achieved first place in the calf classes competition and told us how she led a calf around as part of the event. Stanley received the Player of the Match award for his football team, Willaston White Star. Griff earned a basketball medal in recognition of his dedication and improvement in the sport. Our Aston cricketers celebrated winning the League Cup, with their team's name engraved on the trophy to recognise their efforts this year. They will keep the trophy until next season, when the next year group will compete for it. Huge congratulations to all the children. We're very proud of your achievements!

Annie

Some days remind us just how important enrichment opportunities are for our children, and Wednesday was certainly one of those days. Seeing our Year 5 and Year 6 pupils completely captivated by the magic of *Annie*, singing along, laughing and sharing such a memorable experience together, was genuinely heartwarming. The smiles, awe and excitement said it all. A day to remember, and one I suspect we'll still be celebrating through song long after today has passed!

Base 2 Theme Day!

Today, Base 2 stepped back in time for their Victorian theme day. With the classroom arranged like a Victorian schoolroom, the children explored what life might have been like for a child during this period.

They began the morning writing on chalkboards and used a range of Victorian objects and resources throughout the day. The children thoroughly enjoyed the experience, which brought their learning to life and helped them imagine how different childhood was in Victorian times.
