Wrenbury Primary School Newsletter

23rd October 2026

What a wonderful, if rather stormy, end to the half term! Another busy week has blown by! It was a real pleasure to come together at church for our Harvest Service, reflecting on the importance of being grateful for all that we have. As I looked around the church, I was reminded just how fortunate we are to be part of such a caring community, surrounded by our beautiful rural landscape and a village with such a rich history. It was lovely to see the church so full and, most importantly, to see the children standing so proudly and representing our school so well. Back at school, Base 1 enjoyed a fantastic theme day inspired by *The Scarecrow's Wedding*. The children looked wonderful and threw themselves into every activity with such enthusiasm that I am beginning to think we should dress as scarecrows every day!

Base 2 have also had a memorable week, enriching their learning through a visit to Blist Hill. It was a joy to see their excitement as they stepped back in time and learnt more about life in the Victorian era, bringing their classroom learning to life in such an engaging way. As another busy and successful half term draws to a close, I would like to thank all of our families for your continued support. I hope you enjoy a restful and happy holiday, filled with laughter, fun and precious family time. Whether you're heading off on an adventure or simply enjoying cosy days at home, have a wonderful break and we look forward to welcoming all of our smiling faces back to school in a week's time!
