

Wrenbury Primary School Newsletter

21st November 2025

What a beautiful, but chilly week this one has been. Clear, crisp blue skies, beautiful autumn light, frozen, sparking grass in the mornings – wonderful! In school the children have been very busy, I have seen wonderful oracy skills around the school. Year 6 really enjoyed their drama in their RE lesson and our lovely House Captains have started their lego club – the children have been busy working together and sharing ideas to make wonderful creations. As always, our younger children have enjoyed visits from mystery readers - thank you to everyone for supporting this so well. Everyone enjoyed a geography focused assembly on Wednesday where they learnt about GIS – this is the clever technology that helps people make and use maps to understand our planet better. During the assembly, the children discovered what GIS is and why it matters. They learnt that GIS helps us explore where things are, how places change over time, and how people, animals, and the environment are connected.

Our Year 3 children lessons - it is lovely to see week. Year 2 have experiments this week, materials are. We were drops of water some of we all enjoyed a 'dress down day' – thank you to everyone for bringing chocolate for our Christmas fair, your support is always appreciated. Please do keep an eye out for emails and messages from the office- we have so many wonderful Christmas events on this year!

continue to enjoy their brass how they improve week by continued with their science testing how waterproof quite surprised by how many our materials could hold. Today

This week, 117 children achieved their **100% attendance** award sticker- well done! As the winter season starts with its colds – please do try your best to come into school. We will always take care of you and have a little fun while we are here! Our whole school attendance is **currently 96.2%** - so close to our **aspirational target of 97%**. I know we can reach this goal- let's go for it!

Reading Awards!

Well done to Harry, Evie, Bella, Jackson, Skyler-Jean who all achieved their bronze reading badge this week. It's lovely to see your smiles when you show me your badges- well done!

Sports Hall Athletics:

Well done to our athletics squad who all gave their all at the Sports Hall Athletics competition at Malbank High School this week. You all tried your best and showed great sportsmanship- well done everyone!

This week's oracy assembly- Base 3

Base 3 were simply fantastic this morning! They shared their learning with such pride. The children read some of their Stone Age Shelter instructions to the whole school. As well as this, some children shared their letter writing that they produced last week in character as Barney from our class story, 'Stig of the Dump'. Finally, others shared their amazing 'Stig' descriptive writing in order to show off their developing oracy skills. It was lovely to hear their voice, loud and clear for all to hear. Well done Base3.
