

Equality Information and Objectives Policy

1. Aims

Wrenbury Primary School recognises that certain groups in society have historically been disadvantaged because of unlawful discrimination they have faced due to their race, sex, disability, gender reassignment, marriage/civil partnership, religion/belief, sexual orientation or age.

Our school aims to meet its obligations under the public sector equality duty by having due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it

This policy will put in place a range of actions to eliminate prejudice, unlawful discrimination and victimisation within the school community and workforce.

2. Ethos and Equality Statement

We have carefully considered and analysed the impact of this policy on equality and the possible implications for pupils with protected characteristics, as part of our commitment to meet the Public Sector Equality Duty (PSED) requirement to have due regard to the need to eliminate discrimination, advance equality of opportunity and foster good relations.

In our school, we aim to tackle discrimination and promote equality of opportunity and good relations across all aspects of school life. We do this by:

- creating an ethos in which all pupils and staff feel valued and secure;
- building self-esteem and confidence in our pupils, so that they can then use these qualities to influence their own relationships with all others respecting their differences;
- removing or minimising any barriers to learning, so that all pupils can achieve;
- ensuring that our teaching takes into account the learning needs of all pupils
- actively tackling discrimination and promoting equality and inclusion through our School Code of Conduct, newsletters to parents, displays of work and website.
- making clear to our pupils what constitutes aggressive and prejudice related behaviour; identifying clear procedures for dealing quickly with incidents of prejudice related behaviour;
- making pupils and staff confident to challenge prejudice related behaviour.

We ensure the principles listed above apply to the full range of our policies and practices, including those that are concerned with:

- pupils' progress, attainment and achievement
- pupils' personal development, welfare and well-being
- teaching styles and strategies
- admissions and attendance
- staff recruitment, retention and professional development
- care, guidance and support
- behaviour, discipline and exclusions
- working in partnership with parents, carers and guardians
- working with the wider community.

Children and all staff are encouraged to value each other and build up and maintain cooperative working relationships both within school and in the community, such relationships being based on mutual respect for each other because ‘we all matter’.

3. Legislation and guidance

This document meets the requirements under the following legislation:

- [The Equality Act 2010](#), which introduced the public sector equality duty and protects people from discrimination
- [The Equality Act 2010 \(Specific Duties\) Regulations 2011](#), which require schools to publish information to demonstrate how they are complying with the public sector equality duty and to publish equality objectives

This document is also based on Department for Education (DfE) guidance: [The Equality Act 2010 and schools](#).

This policy operates in conjunction with the following school policies:

- Admissions Policy
- Complaints Policy
- Accessibility Policy
- Special Educational Needs and Disabilities Policy
- SEND Information Report

For the purpose of this policy, the Equality Act 2010 will be referred to as ‘the Act’.

The Equality Act 2010 provides a modern, single legal framework with three broad duties:

- Eliminate discrimination
- Advance equality of opportunity
- Foster good relations

The school fully understands the principles of the Act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equal opportunities. Protected characteristics, under the Act, are as follows:

- Age
- Disability
- Race, colour, nationality or ethnicity
- Sex
- Gender reassignment
- Maternity and pregnancy
- Religion and belief
- Sexual orientation
- Marriage and civil partnership

The Act makes it unlawful for the responsible body of a school to discriminate against, harass or victimise a pupil or potential pupil:

- In relation to admissions.
- In the way it provides education for pupils.
- In the way it provides pupils access to any benefit, facility or service.
- By excluding a pupil or subjecting them to any other detriment.

The responsible body for the school is the Governing Body.

The school's liability not to discriminate, harass or victimise does not end when a pupil has left the school, but will apply to subsequent actions connected to the previous relationship between school and pupil, such as the provision of references on former pupils or access to "old pupils" communications and activities.

The school will promote equality of opportunity for all staff and job applicants.

4. Guiding Principles

In fulfilling the legal obligations cited above, we are guided by seven principles:

Principle 1: All learners are of equal value.

We see all learners and potential learners, and their parents, as of equal value, regardless of any protected characteristic.

Principle 2: We recognise and respect difference.

Treating people equally can mean treating them differently. Our policies, procedures and activities will not discriminate but must nevertheless take account of differences in life-experience, outlook and background, and in the kinds of barriers and disadvantages which people may face in relation to any protected characteristic.

Principle 3: We foster positive attitudes and relationships, and a shared sense of cohesion and belonging.

We foster positive attitudes and relationships, a shared sense of cohesion and belonging, and ensure this is promoted in our policies, procedures and activities.

Policies and programmes promote:

- positive attitudes and interactions
- mutual respect and good relations
- an absence of harassment or prejudice-related bullying between people of different ability, background, gender or cultural identity

The school will promote race equality and have due regard to eliminating unlawful racial discrimination, promoting equality of opportunity and good relations between people of different racial groups.

The school will promote disability equality, ensuring equality of opportunity, eliminating unlawful discrimination and disability-related harassment and encouraging participation by disabled people in public life.

The school will promote gender equality by eliminating unlawful discrimination and harassment, and promote the equality of opportunity between men and women, girls and boys.

Transgender people are explicitly covered by the PSED. For the purposes of this policy, the term 'transgender' refers to an individual whose gender expression or identity is different from that traditionally associated with the sex they were assigned at birth.

The school will respect the confidentiality of those seeking gender reassignment and will provide a supportive environment within the community.

The school is opposed to all forms of prejudice and recognises that children and young people who experience any form of prejudice-related discrimination may fare less well in the education system.

Principle 4: We observe good equalities practice in staff recruitment, retention and development.

The school observes good equalities practice in staff recruitment, retention and development, and ensures that all policies and procedures benefit all employees and potential employees regardless of any protected characteristic, and with full respect for legal rights relating to pregnancy and maternity. Steps are taken to positively promote equality, especially where there is evidence of inequality.

The school will ensure that staff are aware of their responsibilities, given necessary training and support, and report progress to the Governing Body.

The school will ensure that all staff comply with the appropriate equality legislation and regulations.

Principle 5: We aim to reduce and remove inequalities and barriers that already exist.

In addition to avoiding or minimising possible negative impacts of policies and programmes, we take opportunities to maximise positive impacts by addressing, reducing and removing inequalities and barriers that already exist between people of different ability, background, gender or cultural identity

We ensure staff promote an inclusive and collaborative ethos in the school, challenging inappropriate language and behaviour, responding appropriately to incidents of discrimination and harassment, and showing appropriate support for pupils with additional needs, maintaining a good level of awareness of issues surrounding equality.

Principle 6: We consult and involve widely.

The school endeavours to consult widely within the community to address any concerns that may be raised. This is completed through annual surveys, formal and informal parent meetings and consultation with external agencies.

Principle 7: Society as a whole should benefit.

The school ensures that policies, procedures and activities benefit society as a whole, both locally and nationally, by fostering greater social cohesion, and greater participation in the public life of everyone, regardless of any protected characteristic.

In addition to these guiding principles, as not already mentioned, the school will:

- Ensure that the recording and reporting of equality and diversity is sufficiently scrutinised.

5. Roles and responsibilities

The Governing Body is responsible for ensuring that the school complies with legislation, and that this policy and its related procedures and action plans are implemented. A member of the Governing Body has a watching brief regarding the implementation of this policy. The Headteacher is responsible for implementing the policy, for ensuring that all staff are aware of their responsibilities and are given appropriate training and support and for taking appropriate action in any cases of unlawful discrimination.

The Headteacher has day-to-day responsibility for co-ordinating implementation of the policy.

The school will have an equality page on its website, in order to demonstrate how it is complying with the PSED in the Equality Act 2010, and advancing equality of opportunity.

6. Eliminating discrimination

The school is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions.

Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

Staff and governors are regularly reminded of their responsibilities under the Equality Act, for example during meetings. Where this has been discussed during a meeting it is recorded in the meeting minutes.

New staff receive training on the Equality Act as part of their induction, and all staff receive refresher training every September.

The school has a designated member of staff for monitoring equality issues – Rebecca Charlesworth Headteacher, and an equality link governor. They regularly liaise regarding any issues and make senior leaders and governors aware of these as appropriate.

7. Advancing equality of opportunity

As set out in the DfE guidance on the Equality Act, the school aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people which are connected to a particular characteristic they have (e.g. pupils with disabilities, or gay pupils who are being subjected to homophobic bullying)
- Taking steps to meet the particular needs of people who have a particular characteristic (e.g. enabling Muslim pupils to pray at prescribed times)
- Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of school societies)

In fulfilling this aspect of the duty, the school will:

- Due to the small numbers, the school does not publish attainment data showing how pupils with different characteristics are performing as this could make them identifiable.

But will:

- Analyse the above data to determine strengths and areas for improvement, implement actions in response and publish this information
- Make evidence available identifying improvements for specific groups (e.g. declines in incidents of homophobic or transphobic bullying)

The school will consult with stakeholders to establish equality objectives and draw up a plan based on information collected on protected groups and accessibility planning.

Equality objectives will be published at least every four years commencing on the date of the last publication.

Bullying and prejudice will be carefully monitored and dealt with accordingly.

8. Fostering good relations

The school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Ensuring our ethos 'We all matter' permeates all our work in school and our wider community
- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in RE, citizenship and personal, social, health and economic (PSHE) education, but also activities in other curriculum areas. For example, as part of teaching and learning in English/reading, pupils will be introduced to literature from a range of cultures
- Holding assemblies dealing with relevant issues. Pupils will be encouraged to take a lead in such assemblies and we will also invite external speakers to contribute

- Working with our local community. This includes inviting leaders of local groups to speak with our pupils, and organising school trips and activities based around the local community
- Encouraging and implementing initiatives to deal with any tensions that may exist between different groups of pupils within the school. All pupils are encouraged to participate in the school's activities, such as sports clubs.
- Developing links with people and groups who have specialist knowledge about particular characteristics, which can help inform and develop our approach.

9. Equality considerations in decision-making

The school ensures it has due regard to equality considerations whenever significant decisions are made.

The school always considers the impact of significant decisions on particular groups.

10. Equality objectives

Objective 1	To monitor the Curriculum to ensure that this results in good outcomes for pupils within our vulnerable groups (particularly those working below age related that are pupil premium / SEND)
Why we have chosen this objective:	We want to ensure that this is relevant, appropriate and provides secure opportunities for pupils in vulnerable groups to succeed (e.g. pupils with PP / SEND)
To achieve this objective, we plan to:	<ul style="list-style-type: none"> - SLT closely monitor the impact of the curriculum over the academic year (and beyond) with a definite focus on how it meets the needs of pupils in vulnerable groups e.g. SEND / those working below expectation within pupil premium group - Reduce barriers to learning - Track progress closely - Adapt curriculum as necessary to ensure good outcomes
Success Criteria:	<ul style="list-style-type: none"> - Curriculum Review identifies how the curriculum meets the needs of pupils working below expectation, pupil premium children and in particular pupils with SEND - Insight Tracker is used well to monitor and analyse the progress and attainment for pupils working below age related / pupil premium / SEND / - Senior leaders are sure that the curriculum fully meets the needs of all pupils
Timescales:	<ul style="list-style-type: none"> - By July 2027
Progress we are making towards this objective	<ul style="list-style-type: none"> - Data carefully analysed to identify need and develop strategies/ key actions to accelerate progress/ close gaps. - Targeted interventions planned, carried out and assessed. - Wider opportunities sought to support good outcomes for pupils.

Objective 2	Continue to explore the use of new technologies to support pupils in vulnerable groups in accessing their learning.
Why we have chosen this objective:	Within our school, we have a high number of pupils with SEND whose primary area of need is cognition and learning and in particular processing and literacy based needs.
To achieve this objective, we plan to:	<ul style="list-style-type: none"> - Consider technologies available that would support children higher up our schools who have more complex needs in terms of ability to compose extended writing and thus manage the demands of the curriculum - Make better use of technology to support adult led interventions.
Success Criteria:	<ul style="list-style-type: none"> - Pupils with specific needs have a wider option of resource available to them in order to support with independent access to the curriculum - Technology is readily accessed which directly supports adult led interventions.
Timescales:	<ul style="list-style-type: none"> - July 2027
Progress we are making towards this objective	<ul style="list-style-type: none"> a) Access to electronic devices for specific pupils b) IT packages to support learning

Objective 3	To ensure that the academic and hidden curriculum places key focus on the development of knowledge of different cultures for our children
Why we have chosen this objective:	Our school is a small, rural school, predominantly with children of white, British background, who speak English as first language. Children know their own locality well and are proud of it, but it is important that through school, children get to know, compare and contrast their own cultures with that of others.
To achieve this objective, we plan to:	<ul style="list-style-type: none"> - Subject leaders to ensure that their curriculum areas have an underlying focus, where appropriate, on the development of children's understanding of different cultures - Subject leaders and SLT to consider how we can further develop the hidden curriculum over 2021-22 with a key cultural focus e.g. through a planned schedule of events - All staff (and stakeholders) to proactively develop links with other faith, cultural and minority groups and increase events, visits, visitors and other liaison around this
Success Criteria:	<ul style="list-style-type: none"> - Children are able to talk about their experiences and knowledge of other cultures and compare this with their own - Art and display work around the school places emphasis on an understanding of different cultures - Different cultures celebrated regularly in school.
Timescales:	<ul style="list-style-type: none"> - July 2027
Progress we are making towards this objective	<ul style="list-style-type: none"> - Assemblies planned in across the year to celebrate different cultures - Different cultures explored in wider curriculum.

The school will update all published equality documentation annually and will publish its objectives at least every four years.

11. Collecting and using information

The school will collect equality information for the purpose of:

- Identifying key issues, e.g. unlawful discrimination in teaching methods.
- Assessing performance, e.g. benchmarking against similar organisations locally or nationally.
- Taking action, e.g. adapting working practice to accommodate the needs of staff who share protected characteristics.

The school will build an equality profile for staff to assist with identifying any issues within their recruitment regime. The school will obtain the following information from their staff

- Recruitment and promotion
- Numbers of part-time and full-time staff
- Pay and remuneration
- Training
- Return to work of women on maternity leave
- Return to work of disabled employees following sick leave relating to their disabilities
- Appraisals
- Grievances (including about harassment)
- Disciplinary action (including for harassment)
- Dismissals and other reasons for leaving

The school will use the information they obtain to analyse any gaps present in their equality workings and procedures.

Any personal data the school collects will be processed in accordance with the Data Protection Policy (GDPR Compliant).

12. Addressing prejudice-related incidents

The school is opposed to all forms of prejudice and we recognise that pupils and staff who experience any form of prejudice-related discrimination may fare less well in the education system.

The school will ensure that pupils and staff are aware of the impact of prejudice in order to prevent any incidents from occurring.

If incidents continue to occur, the school will address them immediately and report them to the LA.

The following is guidance on the procedure for dealing with prejudice-related incidents:

Any adult witnessing an incident or being informed about an incident must follow these agreed procedures:

- stop the incident and comfort the person who is the victim;
- if appropriate, reprimand the aggressor and inform the victim what action has been taken;
- if the incident is witnessed by other pupils, tell them why it is wrong;
- report the incident to the Headteacher and inform them of any action taken
- inform the class teacher(s) of both the victim and the aggressor when the incident relates to a child in school
- record what happened using the schools recording system for such incidents
- inform both sets of parents, if appropriate.

Incidents will be dealt with in a sensitive manner. The PSHE curriculum will be used to help promote a positive image of all members of society, with particular reference to the protected characteristics made reference to in this policy.

All prejudice related incidents will be recorded and reported to the Governing Body by the Headteacher.

13. Appeal process

Staff members retain the right to appeal against a decision on the acceptability of their appearance e.g. dress code, using the school's grievance procedure.

The school will adhere to the Complaints Policy when following the grievance procedure.

14. Curriculum

All pupils will be entitled to access a broad and balanced curriculum and to teaching and learning opportunities which meet their needs, including extra support where this has been identified as a statutory need.

When planning the curriculum, the school will take every opportunity to promote and advance equality. Each curriculum subject will be kept under review to ensure that it reflects the principles set out above

When teaching the curriculum, the school will promote equality and will not subject individuals to discrimination.

The school will develop an appropriate curriculum for all pupils in all vulnerable groups.

The school will ensure PSHE lessons are designed for pupils to develop their knowledge of the world and the importance of equality

15. Staffing - Recruitment, Training and Professional Development

The school is required to supply the LA with employment data related to all groups employed. The school is committed to attracting and developing a workforce on a basis of merit. The recruitment process will be monitored to ensure that there is no bias based on the protected characteristics. No teaching and support staff posts are sex specific. All staff have equal access to in-service training and posts of responsibility.

16. Religious observance

We respect the religious beliefs and practice of all staff, pupils and parents, and comply with reasonable requests relating to religious observance and practice.

17. Monitoring arrangements

The Headteacher alongside the Deputy Headteacher will update the equality information we publish, at least every year.

This document will be reviewed by Governing Body at least every 4 years.

This will be monitored and evaluated in the following ways:

- The attainment of pupils with protected characteristics and those from vulnerable groups and address any issues of differential progress and achievement
- Equal opportunities recruitment data
- Ofsted inspection judgements on equality and diversity
- Incident records related to harassment and bullying
- The exclusion and other aspects of the behaviour management system by protected characteristics
- The teaching and learning to ensure all pupils' needs are met irrespective of their background and that challenging targets are set for all
- The curriculum and teaching resources to ensure that pupils' experiences are broadened and they are prepared for life in a diverse society
- The protected characteristic composition of the school's staff and Governors, with the aim of presenting positive role models and reflecting the diversity in wider society
- The way in which the school is sensitive to, and meets the needs of all stakeholders, paying particular regard to cultural, religious historical, ethnic and/or linguistic heritages
- The way in which the school uses the diversity within its local and wider communities to enrich learning experiences for pupils

Any changes made to this policy will be communicated to all members of staff.
