

Wrenbury Primary School Newsletter

16th January 2026

Have you heard? There is something very strange in Base 1. After following some strange clues, the children discovered a very strange object deep in the forest area. Could it be an egg? A dinosaur egg? They have been very excited to find out! Base 2 children Year 2 have started their new science learning and have been incredible at really thinking deeply about what is living and what isn't living. Is a river living? Well it moves and is natural but does this make it alive? What about a plant- does this move? Does this feel? We even had a discussion about whether plants feel pain. I have to say that their deeper thinking and discussion skills really were very impressive. Well done Year 2!

Our Base 3 children have started looking at forests – especially tropical forests. There was great teamwork while the children worked together to find out more about these incredible places. Base 4 have also been dipping into geography and have been learning about latitude and longitude – remember 'lat' is flat! Year 6 have been exploring electricity in science and have been using the equipment to make circuits to light up bulbs – ask them how to make the bulb brighter!

Thank you to everyone for working so hard, for being so kind to your classmates and for making Wrenbury School such a special place to be.

Wrenbury Primary School continues to be a GOOD school, where there is 'a strong emphasis on pupils' personal development' and our children 'are exceptionally well cared for.'
(Ofsted Jan 2023)

This week's awards...

We All Matter Stars:

- Little Wrens:** Jessy for helping to settle our new friends – such kindness shown.
- Base 1:** Stirling for playing kindly with his friends.
- Base 2:** James for a smiley enthusiastic hello to Miss Winward every morning.
- Base 3:** Serge for being a helpful partner, helping to find spellings in writing.
- Base 4:** April for supporting younger children in the school.
- Base 5:** Jesse for being exceptionally kind and helpful towards his friends.

ACHIEVE Learning Awards:

- Little Wrens:** To all our new starters for a super start to their learning journey.
- Base 1:** Evelyn for super engagement when writing independently.
- Base 2:** Lola for always showing amazing listening in all lessons.
- Base 3:** Bea for putting extra effort into valuing her writing.
- Base 4:** Sam for amazing concentrating and improvement in his learning.
- Base 5:** Scarlett for amazing engagement in her learning!

Reading Awards!

We have continued to celebrate reading achievements this week. Bronze reading badges go to: Paisley, Oscar, Lumi, Georgia, Jenson. Silver badges go to: Kady, Mable, Finn, Evie and Claudia.

This week, 115 children achieved their 100% attendance award sticker- well done!

A little something to share...

Willow and Cleo, as part of their work with the Brownies, attended the memorial service for Lt Arthur Brown, a 23-year-old US Army Air Force pilot whose plane came down behind Shrewbridge Road in Nantwich. He is remembered for ensuring his crash avoided the houses close by.

Assemblies:

Our subject assembly this week focused on history. On 18th January 1912, Captain Scott reached the South Pole, a month after Norwegian explorer Amundsen took the title of the first man to reach the South Pole. We learnt about what life was like for these brave explorers and that sadly, Scott and members of his team did not make it back. We learnt that history is a treasure trove of exciting and sad, good and bad and that history provides us with an opportunity to learn and make changes in the future.

We also had a guest speaker this week who came with a wonderful opportunity for our children to leave their mark on Wrenbury! Our local church, in partnership with the Parish Council, is creating a beautiful Garden of Remembrance, and they need YOUR help to design a very special monument—an obelisk that will stand proudly in the churchyard for years to come. The children will all be taking home a letter which explains the competition in more detail as well as some blank designs for you to fill in if. Do feel free to bring back your design in any form you wish.

Key upcoming dates:

Friday 23rd January -Base 5 theme day

Monday 26/28 or 29th- Yr3/4 residential information evening

Friday 30th January- Base 3 theme day

Friday 6th February -Base 2 theme day
